

## Exercise: Create a Semantic HTML 5 Mario Club Webpage

In this exercise, we will create the markup for our HTML5 page. We will aim to produce a page with output like:

## It's a me, Mario

**Lorem ipsum dolor sit amet, consectetur adipiscing elit. Repudiandae possimus sapiente,** ducimus asperiores error eum ipsam quasi repellendus iste earum laboriosam nesciunt officiis atque rerum quos incidunt aspernatur velit voluptates. Lorem ipsum, dolor sit amet consectetur adipiscing elit. Praesentium labore perferendis minus incidunt doloribus, eligendi repudiandae earum dignissimos est neque deserunt consequatur. Repudiandae autem maxime magnam eveniet! Atque, suscipit amet. Lorem ipsum, dolor sit amet consectetur adipiscing elit. Praesentium labore perferendis minus incidunt doloribus, eligendi repudiandae earum dignissimos est neque deserunt consequatur. Repudiandae autem maxime magnam eveniet! Atque, suscipit amet.
